## Festive Dinners & Holiday Decorations Are Just Around The Corner

The holidays are fast approaching so its time to start sprucing up those living & dining rooms! Serve up style this fall based on your individual tastes and budget. A fresh coat of paint, a great area rug, and new lighting can start transforming a room from ordinary to **extraordinary!** Call Dwelling Designs to get started!

## NEWS FROM...Dwelling Designs

Window treatments, bedding, and accent pillows – whether ready-made, semi-custom, or completely custom – add the soft luxurious touches that appeal to the eye and hand.

They can be simply tailored for clean styling, or embellished with the dressiest trimmings for a look that is completely unique. As part of your Decorating Portfolio, Dwelling Designs will make the perfect selections for you.

Call Dwelling Designs to get started on your decorating project and get in touch with your softer side!

## **New Decorating Solutions Packages - Affordable Fixed-Pricing!**

Dwelling Designs has created new Decorating Solutions Packages! New names, added services, and still affordable! Check out the complete listing of Packages at [dwellingdesignsllc.com](http://dwellingdesignsllc.com) and click on **SERVICES** to select the Package that appeals to you!
